Opposed: none

For: Mr. Jack Frost, 8544 North Main Street, lives behind the property in question, basically endorsed the special permit, but had a concern regarding the overflow in the drainage ditch/culvert that is in the process of being taken care of by Erie County Highway Department and the possibility of future run off from snow removal since the property in question is at a higher elevation. Mr. Frost was informed that condition number 3 on the considered special use permit identifies his concern. He was satisfied and for the issuance of the special use permit, but he wished for his concern to also be put on the record.

Supervisor Pordum read a letter he received from Ernest & Kathleen Masullo, 8596 North Main Street that is in favor of the special use permit.

Supervisor Pordum closed the Public Hearing with unanimous approval of Councilman Dash and Councilman Cooper.
