ADDENDUM TO REQUEST FOR PROPOSALS

REQUEST FOR PROPOSALS: *Evans Parks Master Plan and Improvement Strategy*

ADDENDUM: 1

DATE: November 15, 2022

To All Potential Proposers:

This addendum is issued to modify the previously issued Request for Proposals (RFP) to include Hobuck Flats Eighteen Mile Creek Access under Section 2. Project Background. Please attach this addendum to the RFP documents in your possession.

Per below, Hobuck Flats has been added to the introductory sentence on page 3 and further described under Section 2.B. Public Spaces on pages 6&7.

2. PROJECT BACKGROUND

The Town of Evans, New York is accepting proposals from qualified professional planning and design consultants to develop a Parks Master Plan and Improvement Strategy for the Town's parks and public spaces, including: Lake Erie Beach Park, Evans Town Park, Nettlecreek Park, South Creek Park and Pool, Derby Park— as well as public spaces at the Joel Harvey Eighteen Mile Creek Access, the Wendt Road Terminus, **Hobuck Flats Eighteen Mile Creek Access**, Purvis Landing, and the recreational facilities located at the Town Hall.

2.B. PUBLIC SPACES

V. Hobuck Flats Eighteen Mile Creek Access is 26 acres of primarily undeveloped riparian habitat located along the Eighteen Mile Creek gorge and the Town of Hamburg border. The area provides the general public with access for to the creek for fishing, hiking, and paddling. Hobuck Flats was established through the cooperation of the NYS Department of Environmental Conservation, the Town of Evans and the Town of Hamburg. The site is accessed via the terminus of Versailles Road in North Evans, where a small parking area and pedestrian bridge currently exist.
